

a home, a family, a future

SECOND ANNUAL BENEFIT FIESTA

HERITAGE HALL, VANCOUVER, B.C.

OCTOBER 14, 2009

Many thanks to everyone that so generously participated in so many different ways to make the Benefit Fiesta the success it was. The amount of auction items topped 100 this year. The diversity and quality of gifts was amazing. These were donated by both businesses and individuals.

Muchas gracias to the Benefit Fiesta team that worked tirelessly to organize and execute the event. They are to be commended for their perseverance in the face of adversity and their resilience and flexibility certainly showed a great intelligence and heart at work. Well done.

Our MC princess – Barb and auctioneer prince – Wayne, once again orchestrated the evening with grace, humour and efficiency. A fantastic delight and amazement for everyone was the magic of Travis Bernhardt. His understated style could not disguise his great talent. Awesome!

We received many positive comments about how well the evening went - the atmosphere, the flow, the hospitality. For this compliment, unending thanks are due to the volunteers that attended to all of the practical tasks of the evening setup, selling, serving and hospitality, and of course, cleanup. What a great team. It was a successful evening from the inside organization through to the enjoyment of the guests.

A thousand thanks to everyone who made this evening so great! [Here they are listed](#) (our apologies if we've inadvertently left your name out-please let us know) THANKS TO ALL

Congratulations and Thanks to All!

Thanks for your Support
